

GREAT SHAPE! INC.

EMPOWERING JAMAICAN CHILDREN SINCE 1988

To Whom It May Concern:

This year, with the help of over 150 dental volunteers from all over the USA and the world, Great Shape! Inc. will bring over 2 million dollars worth of free dental care and education to over 15,000 Jamaican children and their families, most of whom have never seen a dentist in their lives. I now invite you to play an important role in the world's largest humanitarian dental program by donating supplies and/or equipment needed to carry out this important and inspiring work. See our website for videos, photos and information about our work at www.gsjamaica.org

The volunteers are the real heroes behind the project. In addition to paying for their own airfare and a project fee, each volunteer is asked to gather the supplies and equipment necessary to serve the number of patients they will see during their stay.

So we warmly welcome you to join this great humanitarian effort to help these beautiful Jamaican children who are in great need of dental care. Please support our volunteers by donating the supplies and equipment they need. All donations to Great Shape! Inc. are completely tax deductible under our IRS tax EIN # 94 308 6515. Shoot, maybe you'd like to join our group as well some day as a volunteer. You are welcome with open arms!

Please do not hesitate to call me if you need more information.

Please consider this your donation receipt by filling in the value of the donation here
\$_____.

Thanking you kindly in advance,

Joseph Wright
