JAMAICAN CHILDREN HONOR SPONSORS FOR GENEROSITY

Dozens of children plan a "surprise" visit of thanks to Sandals Resorts International in Negril. The children love their newly cleaned teeth, cavity removal and new toothbrushes. To show their gratitude, they'll load onto a bus and arrive at Sandals with a GIANT thank you.

Sandals Resorts International partnered with *Great Shape! Inc.* and *Smile Power International*. Sandals Executives recognize the need for free dental care and embraced this great opportunity to team up with two American agencies. Sandals Executives state, "Many of these families have never seen a dentist in their whole life. We know how important healthy teeth are to a healthy life and a job in Jamaica. We're grateful these volunteers are here to help us improve the health of our communities."

Great Shape! Inc. and Smile Power International will provide dental care and education for 9,000 Jamaicans this year. The volunteers travel from across the United States to lend a hand to their brothers and sisters in Jamaica. Many of these Americans have been volunteering in Jamaica for 20 years. Many others have never even traveled outside the U.S. until now. For everyone, it's been a fantastic experience!

Media is invited to join the thank you show and interview the children.
