Great Shape! Inc. is a non-profit founded in the Rogue Valley in 1988. Our humanitarian work started by donating supplies after Hurricane Gilbert. Now we partner with volunteers from around the U.S. to care for 9,000 Jamaicans in schools and temporary dental clinics. This fall we will take about 100 volunteers to Jamaica to set up clinics. In rural Jamaica, there is just one dentist for every 80,000 people. Tooth decay can lead to life threatening diseases and unemployment.

Our humanitarian trip is set for Oct. 5<sup>th</sup>-22<sup>nd</sup> and Oct. 26<sup>th</sup>-Nov.12<sup>th</sup>. Our volunteers are able to carry out an incredible amount of work through the partnerships with **Great Shape! Inc., Smile Power International, Sandals Resorts International and the Jamaican Ministry of Health**. Dental professionals and civilians alike are encouraged to join us in Jamaica!

We would appreciate preview stories for our fundraiser and humanitarian trip. Our award-winning team of journalists can provide pictures, video and interviews shot in Jamaica.
