THOUSANDS OF DOLLARS GOIN' TO HELP JAMAICA

The Rogue Valley has raised a record amount of money for Jamaican families living in poverty. The Great Shape! Inc. Dinner Party on June 30th can be labeled a record success. Volunteers and guests raised about \$28,000 through ticket sales, the auctions and Sponsor a Smile. It takes ten dollars to provide dental care for one child, \$28,000 will take care of 2,800 children. We are so grateful for the Rogue Valley!

Now we need your help to gather donated toothbrushes and toothpaste. In Jamaica a toothbrush and floss are treated like gold. If you can offer us any story time or space, the children in Jamaica would certainly appreciate it. Our free-lance news crew can provide video and still pictures.

Volunteers from all over the U.S. will head to Jamaica in the fall. We'll care for 9,000 Jamaicans in temporary dental clinics and schools. We'll also expand our literacy program, providing books for the school libraries. *Great Shape! Inc.*, *International Smile Power*, *Sandals Resorts International* and the *Jamaican Ministry of Health* all partner to pull off the largest, humanitarian dental project on earth.
