HEALTHY, BEAUTIFUL SMILES! GREAT SHAPE DENTAL CLINICS CLOSE TODAY GREAT SHAPE VOLUNTEERS SERVE NEARLY 11,000 JAMAICANS

MANY THANKS

Thanks to the people of Jamaica and the media for embracing the largest, humanitarian dental project on earth! We loved hosting you at schools and our temporary dental clinics. In the past five weeks, Great Shape! Inc. has served nearly 11,000 Jamaicans. Our dental crews have provided extractions, fillings, cleanings, and sealants. Our educational team and its famous puppets entertained thousands of students and taught them how to keep their teeth healthy forever.

PARTNERSHIP

We are grateful for the partnership between Great Shape! Inc., International Smile Power, Sandals Resorts International and the Jamaican Ministry of Health. Many hands make light work and these relationships create incredible, international connections.

OUR CLINICS

The last of our 120 volunteers head back to their hometowns this weekend. The dental clinics close today, Nov. 9th. We have served patients in temporary clinics and schools based in the areas of Ocho Rios and Negril.

OUR STORY

Great Shape! Inc. is a non-profit based in the United States. Our volunteers have provided humanitarian work in Jamaica for nearly twenty years. We've built schools, community centers and roads. **This is the fifth year Great Shape! Inc. has partnered with International Smile Power, Sandals Resorts International and the Jamaican Ministry of Health.**

International Smile Power is based in Washington State and leads humanitarian dental trips around the world. Sandals Resorts International donates ¼ million dollars in accommodations to house our volunteers. The Jamaican Ministry of Health provides the safety and infrastructure for our volunteer work.

OUR PROMISE

Great Shape! Inc. promises to provide programs to empower Jamaican children and their families. We are currently implementing a literacy program and school uniform program. We promise to be back next fall to provide more dental care. Please visit our website to view video (under "Video Stories"), pictures and gather more information: www.gsjamaica.org. Feel free to call our Executive Director, Joseph Wright at: **507-2074**. Joe is in Jamaica until Nov. 14, 2007.
